If you see a golden statue of Buddha and Lawson on the ground, cross at the cross walks and go to Lawson side.

You'll see Tokiwagai 常盤街 Shopping Arcade on your right soon.

Facing the entrance of Tokiwagai Shopping Arcade, go left.

Shortly, you'll get to a big crossroad with a big building of NTT and turn left there.

After turning left, go straight along "Kanko-dori Street 観光通り".

Between this crossroad and Wakabayashi, you'll cross railways twice and see overbridges twice.

If you are going on the left side of street, cross it and keep right side.

Just keep straight along "Kanko-dori Street 観光通り".

When you cross a bridge over a river, wakabaya is waiting you very near.

After the bridge, turn right at the corner with a signboard of "Date Hospital 伊達病院".

You'll find wakabaya 50m after that corner.
