Go downstairs and exit from JR Ritsurin Station 栗林駅.

Go out to the street.

Walk right along the street with seeing COOP supermarket on your left.

While you keep straight along street, you'll find a motorbike shop バイク王 on your left corner.

Turn right at that corner.

After turning right there, go straight along "Kanko-dori Street 観光通り".

Between this corner and wakabaya, you'll cross railways once and see overbridges twice.

Just keep straight along "Kanko-dori Street 観光通り".

When you cross a bridge over a river, wakabaya is waiting you very near.

After the bridge, turn right at the corner with a signboard of "Date Hospital 伊達病院".

You'll find wakabaya 50m after that corner.
