When you arrive at Takamatsu East Port 高松東港 by Jumbo Ferry, at first, take a free bus for JR Takamatsu Station 高松駅.  
It runs only once after arrival of your ferry.  
So, if you miss it, you'll have to walk 45 minutes or take a taxi to wakabaya.

You arrive at Takamatsu Station Local Bus Terminal.  
Go forward shortly and you'll find an artificial pond on your left.

Turn left at this pond and cross the square.  
A station on your right side is NOT Takamatsu Chikko Station 高松築港駅 of Kotoden Train but JR Takamatsu Station 高松駅.

When you find roofed passage, walk along it.

Cross the crosswalk over “Chuo-dori Street 中央通り” and you’ll see stonewalls of Takamatsu Castle.

Then, turn right there.

“Takamatsu Chikko Station 高松築港駅” of Kotoden Train is on your left.

Buy 190 JPY ticket to Hanazono Station 花園駅 on Nagao Line 長尾線 and take the GRREN train from No.3, not yellow one.

You arrive at Hanazono Station 花園駅, the third station from Takamatsu Chikko Station 高松築港駅.

Go through the bicycle parking and turn right.

Cross over the crosswalk with a light and cross a bridge.

You see another light, signboard of Date Hospital 伊達病院 and a small udon restaurant 野口製麺 soon after the bridge.

Turn left there.

Passing Date Hospital 伊達病院, wakabaya will be...

on your right soon!
